5 For Tilaboni No.2 Bunker 55080 MT @ 34.07 = 18,76,575.60 { **Total coal = 14,64865 M.T. }**

6 For Tilaboni 1 Pit Tippler 48960 MT @ 38.74 = 18,96,710.40. { **Total Amount = 3,81,22,769.05 }**

7 **Total Tilaboni 1&2 Pits' Amount = 37,73,286.00.**

The above quantities are as per plan and projection. This may vary due to unavoidable circumstances beyond control of management, for which no claim from the contractors will be admissible by the management. The distance slab mentioned above and hence its rates are approximate only and may vary subject to the measurement of actual distance as measured by the Distance Measurement Committee as per SOR. If need arises within the year, the allocated places for dumping of different collieries within the Sidings may vary, in which case, the distance slab and hence rate may vary. In such cases, the distances may be measured afresh by the Distance Measurement Committee and if slab changes, then rate will be determined accordingly. The quantity of coal mentioned may include a small quantity of coal to be transported for Boiler and Domestic consumption within a lead of 0 - 0.5 KM (except Shyamsundarpur Colliery where this distance may be 0 - 1 KM) and will be as per the direction of unit management. The rate applicable for this quantity will be as mentioned in SOR for that slab.

For detailed terms and conditions and information refer SOR available with the department. For detailed BOQ refer Annexure-I. The rates mentioned above and in BOQ are approximate only and may change as per revised rates of SOR applicable during the period of contract. This bid is to be guided by detailed terms and conditions of the SOR effective during the period of contract.

Eligibility Criteria :

- 1) The bidder shall have executed similar transportation work (coal) during any of the preceding 7 years at least 25% of the work value tendered (job-wise) in Govt./Semi Govt./Public Sector/Joint Sector/Public Limited Cos. in Private Sector.
